

BOY SCOUTS OF AMERICA®
CHOCTAW AREA COUNCIL

2024 HybridLight Guidebook

Bright Thinking - Durable, Environmentally Friendly & Guaranteed for Life. Hybrid Backup Reserve Power Circuitry - Ensures that you always have light.

Rechargeable again and again, Hybrid Light® products pay for themselves quickly and will soon become your favorite lighting and charging source.

Journey 250 flashlight is **Waterproof, Floats and will hold a charge for 7 years!** PUC & Journey include a USB to charge your mobile devices.

Scout Demo Kits

Each Scout will be able to check out a Demo Kit that includes the following; Journey 250 black flash light, Puc Lantern, and NAV headlight.

These demo kits are to be used for promotional sells. These items are not to be sold and will be returned to the Council. A Scout can earn to keep their demo kit if they sells enough lights.

Unit commission is 30% of all sold items.

These lights are risk free..... Simply return any unsold, undamaged products.

Units can checkout more products as needed. Simply turn in money for what you have sold and get more lights!

Each Scout will be able to check out a Scout Sell Bag that consist of the following items; 5 Puc Lanterns, 4 NAV Head lamps, 3 yellow flashlights, 3 black flashlights.

Scout Sell Bags

- 5 Puc 150s (\$35 Each)
- 4 NAV Head lamps (\$35 Each)
- 3 yellow flashlights (\$35 Each)
- 3 black flashlights (\$35 Each)

HybridLight Sale Commitment/Order Form

A Scout is Thrifty... “A Scout works to pay their own way.”

The HybridLight fundraiser is designed to help Scouts pay their own way.

Units earn 30% commission, on each light sold. All lights not sold must be turned in by May 2, 2024. The program is RISK FREE; any unsold and undamaged lights may be returned.

As HybridLight Chair for my unit, I understand that I am responsible for obtaining a copy of the 2024 Guidebook and sharing its content with the members of my unit.

Hi! My name is _____ from _____ I am working to help fund our troop. We are selling Hybrid Light Solar Powered LED Flashlights: the Journey 250, and the PUC 150. They all recharge with solar or through the Micro USB, and they even Charge Your Phone!!! We are also selling The NAV Headlamp with Multi-Colored LED's, and a MicroUSB port for charging. You will never have to buy a battery again. All products hold a charge for 7 years when stored. They are great for preparedness, emergencies, and daily use. These lights work every time you need them, and every light comes with a life-time guarantee! By purchasing these lights, not only will you get a great, dependable light, but you will also be helping me reach my goal. Can you help reach my goal?
